Terry Conklin - Superintendent

Robert Cary - Principal

August 18, 2012

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for Burr Oak Elementary School. The AER addresses the complex reporting information required by Federal and some requirements of State laws; however, our staff is available to help you understand this information. Please contact Mr. Bob Cary, Principal, at bcary@burroakcs.org or (269) 489-5534 for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.burroak.remc12.k12.mi.us/AER> or you may review a copy in the principal's office at your child's school.

For 2011-2012, Burr Oak Elementary School did not make Adequate Yearly Progress (AYP) and was also named a Focus School because the school has a large student achievement gap between the top 30% of highest achieving students and the bottom 30% of lowest achieving students across the tested subjects (mathematics, reading, science, social studies and writing; as appropriate for the school grade levels tested). We are actively working to address the school issues by implementing the following:

- A new reading program that includes multi-tiered support.
- Multi-tiered support in mathematics.
- School wide Title I services.
- Using student achievement data to drive instruction
- Replacement of 44% of the teaching staff.

Information used to rank schools is based on the development of the Top to Bottom list of schools and their performance.

State law requires that we also report the following additional information:

Process for assigning pupils

School attendance boundaries are set by the Board of Education. All students living in the attendance area of a school attend that school unless the Schools of Choice option is selected.

Status of the 3-5 year school improvement plan

Burr Oak Elementary School is continually updating the school improvement plan. We are in the first year of our new school improvement/focus school cycle. Burr Oak Elementary School is a school-wide Title I building.

Burr Oak's staff targeted all four core areas for goals to address in the school improvement plan. The staff has selected to work on each goal group and, with the data from the MEAP as well as report card information, is utilizing the assistance of the Saint Joseph County Intermediate School District curriculum specialists to achieve their goal group. Further collaboration continued throughout the school year at school improvement professional development staff meetings to identify focus areas and appropriate assessment tools. This collaboration and assessment will be an on-going process. Asking the tough questions about what the data shows us in regard to goal achievement will be a focus.

Burr Oak's staff will strive to have data-driven instruction be part of the sustained culture of the building. Our school improvement leadership team and professional development district core subject coordinators will instruct staff on best practices for good teaching, working with teams and individuals. Our entire staff will continue to support the school-wide focus of vocabulary and writing across all curricular areas.

Description of each specialized school

The Burr Oak Community School District has no specialized schools.

Core Curriculum

A copy of the core curriculum may be obtained from the Superintendent's office. The core curriculum is fully implemented. There are no variances from the state's model.

Local competency test results or national achievement results

All percentages of students receiving passing grades within a content area are listed for Burr Oak Elementary School at <https://www.mischooldata.org/>

Percentage of students represented by parents at conferences

	Fall	Spring
2011-2012	84%	66%
2010-2011	78%	62%

Burr Oak Elementary School is committed to continuously evaluating and improving the learning environment and achievement levels for our students and our community. Our teaching staff has made the core curriculum and the achievement data a priority in our efforts to ensure student growth.

Sincerely,

Robert Cary
Principal, Burr Oak Elementary School
